### CAN I SUPPORT YOU AND YOUR SCHOOL?

#### **Bespoke and tailored support in line with YOUR school's needs using tried-and-tested system leadership**

Do you need support in your **leadership and management** role to run through and create development plans, evaluate your school, monitor school progress and assessment approaches, carry out in-school or remote reviews, suggest next steps or mock inspections? Then I can help!

With **27 years of primary headship experience, 10 years of advisory support** and system leadership within the local authority/consortium, and **a number of years as an Estyn Inspector**, why not make contact ?

Do you need a mentor or coach? I can support you, helping your **work-life balance** and overall wellbeing.

I can be your support, critical friend, advisor, reviewer, inspector, coordinator, trainer, planner or overall evaluator.

**Free up capacity** by letting me prepare, carry out or coordinate the whole school monitoring system - ready to discuss and present to staff, SMT/ Governors/Local Authority and Inspectors.
