Osterly Associates Ltd

Osterly Associates was formed in 2015 by Managing Director Clive Barnard to provide an accessible business support resource to multi size, multi sector businesses, where there is a gap in provision.

Specialising in bespoke support including mentoring, business development and training, we provide a unique service in the community.

Support for Sports Clubs

We provide a range of specific services that have been designed especially for the community sports sector.

These include training in compliance, fundraising skills, obtaining sponsorship and how to make your club sustainable.

We also work with developing clubs to create an appropriate structure that will ensure it is able to grow in a sustainable way.

How To Raise Sponsorship

We deliver sponsorship workshops that helps you develop a strategy to obtain sponsorship, either in person or online.

Our sponsorship guides have been followed by sports clubs throughout the world.

How to raise Sponsorship guide is available in PDF for only £4.99

Email us for details.

Mentoring

We at Osterly are probably best known for our mentoring skills.

Not only do we provide mentoring to sports professionals and business leaders, we also help you to become mentors too.

WE LISTEN TO YOU

*"The way that we support you is never to assume we know the answer to your challenge. **We listen and together, we help you find the solution.** We strongly believe that this is one of the reasons why so many clients continue to trust us with their issues."*
